- For the comfort of your child/children, stays longer than 2 1/2 hours are not permitted.
- There is a limit of ten(10) children per attendant. We recommend that you call ahead to reserve a space for your child; otherwise, you may be asked to wait until another child leaves.
- Parents must remain on the premises while their child is in the Kids Zone area. Please inform the attendant which area of the building you will be utilizing during your visit.
- When parents pick up his/her child, the following must occur:
  - a. The parent will sign the "sign-out" on the reservation sheet.
  - b. The parent who signed the child in must sign the child out.
  - c. The signature will be validated by the children's area staff
- For the health of all children, ill children will not be permitted in the children's area. If your child has an allergy, please bring a note from your doctor stating this fact so we do not confuse allergy symptoms for those of a cold or flu. If your child is not attending school for health reasons, he/she will not be permitted in the Spiece Kids Zone.
- For health and sanitation, staff will not change dirty diapers. You will be notified of soiled diapers and requested to change them as soon as possible.
- To be fair to other children and to avoid allergy mishaps, snacks are not permitted.
- All lost and found items will be kept for a maximum of two (2) weeks and then donated to charity. Please mark your child's belongings to assist the staff in returning all of your child's belongings at the end of his/her day.
- If a child is unhappy or having a difficult time being separated from the parent, the staff will make every attempt to make the child feel welcome and happy. If all efforts fail, the staff will notify the parent to come and assist in calming the child.
- Each child is special to us. Please let us know of any health concerns.
- Usage privileges may be revoked if reoccurring inappropriate behavior is not corrected.
